Società a socio unico soggette a Direzione e Coordinamento di VDP Fonderia SpA

**Subject:**

- **Compliance with RoHS Directive (2002/95/EC) and following updates and with Directive 2011/65/UE**
- **Compliance with regulation (EC) 1907/2006 on the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH), SVHC (Substances of Very High Concern) list and following updates, Regulation UE 2018/1881 (modification of some annexes of the REACH Regulation in order to clarify the requirements for manufacturers and importers of substances in nanofom relating to registration obligations) and Regulation (UE) 2020/171 (modification of annex XIV of REACH Regulation concerning the registration, assessment, and restriction of 11 substances) and s.m.i.**

Dear Customer,

We declare that the products and goods delivered to you are in compliance with the ROHS Directive (2002/95/EC) and Directive 2011/65/UE and following updates and restrictions concerning certain hazardous substances such as lead, mercury, cadmium, hexavalent chromium, Polybrominated biphenyls (PBB) and Polybrominated diphenyl ether (PBDE) and meet all the requirements of these Directives.

According to the regulation (EC) 1907/2006 on the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) and following updates:

We declare that the articles supplied do not contain substances belonging to the list SVHC (or that the concentration is less than 0.1% w / w)

We declare that the substances supplied have been properly registered (indicate the registration number if available)

We declare that the mixtures / preparations supplied don't contain substances belonging to the list SVHC (or that the concentration is less than 0.1% w / w) and that all substances have been regularly pre-registered/registered

In addition, in case off future updates, we will inform you in compliance with EC Directives and Regulations in the subject.

Schio, 01/01/2021

Ing. Franco Vicentini
